FAILURES

DEATH SAVES

Nature is good, and the natural law is the one we should heed most. There is nothing wrong with changing, adapting, and growing. It is the essence of life.

PERSONALITY TRAITS

Nature: This world is host to all the good, and bad, we should foster the good.
Open-Mindedness: Oaths and promises are well and good, but sometimes, one's path must change.

IDEALS

I was once a diplomatic protector, I still am, though now I protect nature's messengers

BONDS

The grand scheme, and the natural order are the highest forces, they take precedence over false good created by the laws of men.
